COORDINATING COMMITTEE

MEMORANDUM BY THE NETHERLANDS AND

THE BELGO-LUXEMBOURG ECONOMIC UNION DELEGATIONS

TRADE AGREEMENT WITH POLAND

The Netherlands Delegation and the Belgo-Luxembourg Economic Union Delegation wish to inform the Committee that a Trade and Payments Agreement has been signed with Poland for the period between the 1st January 1959 and the 31st December 1959.

The main products to be exported by Poland are: horses, fodder, tinned meats, hops, agricultural products, textiles, metal products, chemicals, ceramics, pharmaceuticals, timber and paper.

The main products to be exported by the Benelux countries are: flower bulbs, seed potatoes, seeds, various chemicals and pharmaceuticals, leather, paper and cardboard articles, textiles, metals and metal products, and products of the metal, mechanical and electrical industries.

Among the products to be exported to Poland by the Benelux countries, none of the items appearing on the International Embargo, Atomic Energy, Munitions and Watch Lists are included.

Total commercial exchanges are estimated at \$ 51,300,000.
